

# DC Coding Association

## Volunteer Math Instructor

### Job details

We are looking for passionate volunteer math instructors to join our non-profit organization located in BC, Canada. DC Coding Association is a non-profit organization that offers opportunities to children and beginners to learn coding, math and other valuable courses. Many children have their learning opportunities limited because of their situation. We want to help them by offering free learning opportunities. You will be able to gain experiences for teaching math and volunteer hours.

**Class Type:** Online Courses

### Qualifications

- Have a math level of at least grade 9.
- Excellent speaking and communicating skills
- Be excellent at math
- Prefer to have math competition awards (e.g. Waterloo Gauss or Pascal Contest, AMC 8)
- Be responsible
- Be good at time management
- Prefer instructors to be grade 9 and above.
